QID89 - F10. Would you recommend the Sleep System to other families facing similar challenges?

Too little

F10. Would you recommend the Sleep System to other families facing similar...

Yes

Yes

yes

yes

Yes

Yes

yes, if only for the relaxing effect

Yes

Yes it might help them. She was already use to listening to soothing music at night. As mentioned we were already setting the tv to New Age channel on direct tv.

Sure

Yes

Yes

YES... the concept is great. If they are exposed to it at a younger age I think it would be so much easier to adapt to

I would definitely. I think the sounds made him relaxed

Absolutely

Yes very much so

Yes

The right amount

F10. Would you recommend the Sleep System to other families facing similar...

I think it's worth a try

Yes

yes

still not sure

I think they should try. It was hard to remember to report every day

Its nice to have to comfort the child to sleep by giving something to focus on.

Yes

Yes

Yes, helped other child.

yes I would it is very helpful and it will help their child fall asleep faster and easier.

Yes

Absolutely

F10. Would you recommend the Sleep System to other families facing similar...

yes

yes! absolutely. I already have been.

Yes

yes

Yes

Yes

no

yes, we have 2 children, one loved the pillow and this one refused the pillow

Yes

Yes but the system needs more protection for younger kids. We lost one iPod due to be bent and lost a pillow because the wire pulled out of the pillow.

Yes

yes

yes, this child really enjoyed the pillow

Too much

F10. Would you recommend the Sleep System to other families facing similar...
